

## ***Interactive comment on “Natural manganese deposits as catalyst for decomposing hydrogen peroxide” by A. H. Knol et al.***

**A. H. Knol et al.**

t.knol@dunea.nl

Received and published: 6 April 2015

Dear Prof. Jaeweon Cho,

On behalf of the co-authors I submit the revised manuscript, see the supplement. I have incorporated the comments of the referees. In cooperation with Ms. Anna Wenzel of Editorial Support, I incorporated the comments in the submitted Word document and saved the document as a pdf- file. In the submitted Word document your initial comments were processed. The comments in the pdf are marked with PLC and KC, referring to the referees Mr. Pierre Le-Clerc and Mr. Kangmin Chon.

Waiting for your final decision, All the best, Antonie
