Dear editor, we are very grateful for those worthy comments, we would you like to publish our article in this valuable journal. We taken these comments in our consideration and the response as the following:- 1) Indeed, the risk health of surface water and groundwater samples (HQ) was calculated based on the chronic daily intake (CDI) as mentioned equations in page 4 line 25 and page 5 lines 1 and 2. Last but not least we hope that our article to be published in your valuable journal.
